Side Bar is the culmination of a vision by two lifetime friends. Driven by decades of experience in the bar and restaurant business -- and the desire to couple big-city sophistication with intimate surroundings -- Side Bar's founders achieved their vision in January 2003.

Housed in a classic Gaslamp brick'n'mortar built in 1882, Side Bar combines post-Victorian cachet with contemporary décor, retro Noguchi furniture with video artwork. Spacious booths and the sidewalk patio provide room for groups, while comfy lounges offer more intimate seating.

At Side Bar, music is just part of the overall ambiance. Our DJs mix up retro, underground hip-hop, deep house, 80s hits something different every night. You'll hear the music you don't hear everywhere else. At a volume where you can still hear yourself think.

We specialize in eclectic premium cocktails created just for Side Bar - as well as all the classics, from Manhattans to Margaritas.

And our menu features salads, seafood, tapas and a little something extra: authentic New York pizza inspired by the best of the Bronx.

Named for its side entrance on Sixth Avenue, Side Bar features plasma TVs and video art, vintage films and futuristic furniture, innovative music and a smart, stylish crowd.

Event Information

Booking Information

Side Bar nightclub is open to the public Wednesday through Sunday. Side Bar dress code (stylish attire) is strictly enforced. Prior to booking any entertainment please consult with Side Bar for space limitations, power needs, and any further requirements.

Banquet/Food and Beverage Commitment

Side Bar is relying on, and Group agrees to provide, a determined food and beverage revenue, exclusive of tax and service charges. If Group holds its event as agreed, Side Bar will waive its right to seek damages for Group's failure to achieve this minimum. Should the Group fall below this amount, the Group will be responsible for the remaining food and beverage revenue to be paid as event room rental. Such amount shall be subject to all applicable taxes, which shall be paid by Group. Side Bar and Group agree that the payment described above constitutes liquidated damages and is a reasonable estimate of Side Bar's damage resulting from the reduced use of the food and beverage and does not constitute a penalty.

Billing

Subject to the terms and conditions of this Agreement, Side Bar will only accept credit card payments for final bill. Side Bar shall honor without discrimination valid Cards properly tendered for use. For purposes of this contract, "Card" means a credit card issued pursuant to the rules and regulations (the "Rules") of American Express, Diners Club International, Discover Card, JCB, MasterCard, Visa, or any "Card" for which Side Bar provides Card processing.

Deposit

An initial non-refundable deposit is due with the execution of the contract. The remaining balance as outlined in the contract is an estimated amount. Additional deposits will be deposited based upon length of time between booking the event and the actual event date. A pre-estimate invoice of the current remaining balance will be sent with the banquet event order prior to the event. The remaining balance must be paid on the day of the event with an authorized credit card.

Food & Beverage Policies

Due to licensing requirements and quality control issues, all food and beverage to be served on Side Bar's premises must be supplied and prepared by Side Bar. All food and beverage prices are subject to a 21% service charge and a 7.75% state tax (subject to change without notice). Please note that the service charge is taxable by State law.

Cancellations

The parties agree that in the event the contracted event does not take place at Side Bar, Side Bar would suffer damages that would be difficult to determine. Such damages would include, but not be limited to, losses of revenue from, food, beverage, room rental and other revenues generated by other group events. Therefore, if Group elects to cancel this agreement for any reason other than a termination for cause, group agrees to provide written notice to Side Bar and pay the agreed cancellation amount listed in the contract. The option to cancel is agreed by the parties to constitute the exercise of a contractual option and not a default. The parties further agree that the amounts set forth above are reasonable estimates of the damages that would be incurred by Side Bar and include consideration of the possibility of Side Bar's ability to mitigate its losses through resale. Payment must accompany notice of cancellation in order to constitute a valid exercise of the cancellation option at the agreed amount of damages
