The Yard House is an upscale-casual eatery known for its extensive menu, classic rock music, and world's largest selection of draft beer. For classic lagers to more obscure ales and stouts, there's a draft beer flavor for everyone.

Each Yard House location features a transparent keg room containing more than 600 barrels, some 1,000 gallons of beer, and an endless fleet of tap handles – 130 to 250 – depending on the location.

The menu of American cuisine includes an impressive selection of appetizers, salads, pastas, sandwiches, individual-size pizzas, seafood, steaks, ribs and chops.

The Yard House plays classic rock and roll on its state of the art sound system while an abundance of flat screens showcase the day's sports and special events.
